

Introducing EOS, Sonoco ThermoSafe's curbside recyclable packaging that guarantees to keep away from the landfill.

- Recyclable at curbside and minimizes environmental impact
- Available in 4 sizes and provides up to 72 hour 2°C to 8°C protection to ISTA 7E
- Offers a high level of insulating value and a soft cushioning to help protect payload
- Easy to dispose of, the entire knocked down package can be placed into the recycle bin
- Fully tested and certified as repulpable and curbside recyclable to OCC-E standards

Part Number	Payload Capacity (liter)	Payload Dims (in)			Outer Dims (in)		
		L	W	H	L	W	H
EOS2RS	2	8	6	3	11.38	9.38	13.13
EOS5RS	5	8	6	6	11.38	9.38	16.13
EOS10RS	10	12	8	6	15.50	11.50	14.63
EOS25RS	25	16	12	8	19.50	15.50	15.13

How do you get a product certified to OCC-E* standards for repulpability and recyclability?

*OCC-E is a testing protocol to certify the recyclability of Old Corrugated Containers

SAY YES TO EOS

AVAILABLE
IN 4 SIZES

OFFERS 2-8°C
PROTECTION FOR
UP TO 72 HOURS

FULLY CURBSIDE
RECYCLABLE

It all starts with the material used

EOS passes operational impact assessment

EOS yields 95% (by mass) of acceptable fibers during repulpability testing

Fiber performance, appearance and spot count (contaminants) passed testing for use in new paper products with recycled content

Acceptance criteria met!

TIME TO CONSIDER EOS

Check out our recycling credentials

A world leader in recycling, Sonoco Recycling collects more than 3 million tons of paper, plastic, metal and other materials in more than 100 cities and towns across the US each year.

A unit of Sonoco, a multi-billion-dollar global provider of consumer packaging, industrial products, and supply chain services, our recycling roots date back to the 1920s. Today, Sonoco Recycling operates 40 recycling facilities globally and helps more than 15,000 retailers, manufacturers and communities save money, save resources and create clean, renewable energy.

'To Recycle is to Reveal a Better World'
